Bennett Primary Parents and Community Members:

Congratulations and thank you - we all made it through the first quarter of the school year. Whether this was your son's or daughter's first year as a kindergartener who is excited to learn how to read, or the beginning of your child's last year in Bennett Primary, I hope that the students were comforted by seeing and interacting with their teachers and friends.

Do you ever wonder what things influence the way our teachers are doing their work in the classrooms? Do you want to know how Bennett Primary achieves its academic standing? Do you wonder what the school is doing to increase test scores? Do you want to know what the school does to help students who are struggling? Do you ever wonder how you can be a part of the solution? The Bennett Primary School Accountability Committee (SAC) is the answer to your questions.

The SAC is a group of volunteers made up of parents, students, teachers, staff, alumni, and community members. In a nutshell, our purpose is to support and enhance the education, safety, and learning environment at Bennett Primary. Our main task is to review and endorse the annual Unified Improvement Plan (UIP) and to work together to achieve the goals within that plan. We also evaluate and support the school's efforts and strategies for improving literacy and student achievement.

The School Accountability Committee is the place where you can learn about and influence the way the academic programs work at Bennett Primary. It is a way for you to support the students and promote Bennett Primary in the community. It is a way for you to contribute to your school and to your student's success.

If you'd be interested in learning more or becoming a member of this year's SAC, please return the slip below or email [BMoeder@bsd29j.com](mailto:BMoeder@bsd29j.com) to submit your interest. Our hopes are that we will have 1 family from each classroom represented.

For the 2020- 2021 school year, SAC meetings will be held via Zoom at 5:00pm prior to the District Accountability Committee Meetings, DAC. Your voice matters! ***Join us on November 10<sup>th</sup> to learn more.***
